### INSTRUCTIONS

**Hat top - 1st Round:** make a magic ring and into this ring work as follows: ch1 (that doesn't count as st), 6 dc. At end of first round, pull yarn to close magic ring. Then continue in spiral pattern, as follows: you work the rounds continuously but without joining each round with a slip stitch, as the round continuing into the next round. Place 1 stitch-marker into first dc of each round to indicate beginning. **2nd round:** 1 inc (= work 2 dc into same st) 6 times (= 12 dc). Move marker to first st of each round from here forward. **3rd round:** (1 inc into next st, 1 dc into next st) 6 times (= 18 dc). **4th round:** (1 inc into next st, 1 dc into each of next 2 sts) 6 times (= 24 dc). **5th round:** (1 inc into next st, 1 dc into each of next 3 sts) 6 times (there are 30 dc). **6th round:** [1 inc (= work 2 dc into same st and place 1 stitch-marker into first dc), 1 dc into each of next 4 sts] 6 times (= 36 dc). Hat piece should now have 6 marked stitches. These indicate the stitches to increase in moving forward. **7th round:** (2 dc into marked st, 1 dc into each st to next marker) 6 times (= 42 dc). From **8th to 15th round:** rep 7th round 8 more times. Hat piece should increase by 6 sts per round. At end of 15th round there are 90 sts. Circle should measure approx 16cm across. **Hat brim - Notes:** this section contains increases every other row. Once markers are in place, move them up as each round is worked. For a less wavy and more rigid brim look, you can add optional wire rope in 14th round of brim. While rope isn't necessary, it will add extra stability and create a smoother-looking brim. **1st round:** [1 inc (= work 2 dc into next st and place 1 stitch-marker into first dc), 1 dc into each of next 7 sts] 12 times (= 108 dc). Hat should now have 12 marked stitches. **2nd round:** 1 dc into each st. There are 108 sts. **3rd round:** (2 dc into marked st, 1 dc into each st to next marker) 12 times (= 120 dc). From

**4th to 13th round:** rep 2nd and 3rd rounds 5 more times. At end of 13th round there are 180 sts. **Note:** if adding optional brim support, follow 14th round. If not adding brim support rep 2nd round once more and fasten off.

**14th round:** hold galvanized wire rope along 13th round. Crochet over it as you dc in each st. Pause when 7.5cm remain unworked. Rub brim flat and try on hat to make sure density of stitches around rope is to your liking. (In order to get the flattest brim possible, avoid spreading stitches out too far. This can create a wavier brim.) Using wire cutters, snip rope so it overlaps itself by 5cm. Complete round by dc in each st, working over both ends of rope as you go. End with 1 ss into first st of round.
