## TENSION

20 sts and 7 rows measure 10cm square over checkered mesh with 4.50mm crochet hook. Take time to check tension before starting work: it is essential to work to the stated tension to achieve success.

## INSTRUCTIONS

Work in one piece, starting from **Back**. Ch80 and work in Checkered Mesh stitch. When work measures 31cm from beg and 22 rows have been worked, ch67 new sts at either side and work in Checkered Mesh stitch also on these new sts, establishing the work so that it continues the one below. When work measures 18.5cm from sleeve beg, corresponding to 13 rows, work **1 row of trebles**, working 1 tr in each st or ch of previous row: there are 212 sts. Then divide work. For **Right Front** work 88 trebles, turn and work another row of 88 trebles. Turn and cont to work in Checkered Mesh stitch decreasing 2 sts across 3rd row. When work measures 20cm from Front beg,

omit to work on sleeve sts and cont to work on rem sts, adapting working so that it continues the one below. When Front is as long as Back, fasten off. Work **Left Front** on last 88 sts as given for Right Front, reversing shaping. Opening and **neckline border** work along Front openings and Back neckline as follows: **1 row** of trebles, beginning with ch3 (corresponding to 1st treble) and ending with 1 tr into last st, working 2 tr around beg tr of every Front row and 1 tr in correspondence of each st on Back neckline but working 2 or 3 sts into beginning and ending sts, to obtain a number of sts multiple of 4. Then work **2 rows** in Checkered Mesh stitch, but with htr instead of tr across last row. Fasten off.

## FINISHING

Join side and sleeve seams with a row of dc, inserting hook every time into both thicknesses. Then finish them knotting fringes about 5cm long. For each fringe, cut 4 threads and fold them in half, insert hook into first st, then catch centre point of folded threads and pull up a loop. Thread the ends through the loop and pull tight. Repeat this process every alternate stitch.

**Hook:** A 4.00mm crochet hook

**Sewing needle:** Yarn needle with rounded point

## STITCHES

**Using Hook:** chain (ch) - Slip stitch (ss)

Double crochet (dc) - Treble (tr)

CHECKERED MESH STITCH: (worked over a multiple of 5 sts plus 3 sts) **Row 1:** ch3 (corresponding to 1st treble), 1 tr into each of next 2 ch, \* ch2, miss next 2 ch, 1 tr into each of next 3 ch; rep from \* to end, turn. **Row 2:** ch5 (corresponding to 1st treble and 1st 2ch-space), \* 3 tr into next 2ch-space, \* ch2, 3 tr into next 2ch-space; rep from \* ending with 1 tr into 3rd beg ch of previous row, turn. **Row 3:** ch3 (corresponding to 1st tr), 2 tr into next 2ch-space, \* ch2, 3 tr into next 2ch-space; rep from \* ending with last tr into 3rd beg ch of previous row, turn. Rep Rows 2-3 throughout, **alternating 1 row with cream yarn and 1 row with beige** yarn. **Note:** 1 square of Checkered Mesh Stitch corresponds to 3 tr or 2 ch (for example: 2 squares correspond to 1 tr 3 squares and 1 ch 2 squares; 3 squares correspond to 3 tr, ch2 and 3 tr or ch2, 3 tr and ch2, depending on the row you are working).

## TENSION

20 sts (corresponding to 8 motifs) and 9 rows measure 10cm square over checkered mesh with 4.00mm crochet hook. Take time to check tension before starting work: it is essential to work to the stated tension to achieve success.

## INSTRUCTIONS

**Back and front:** work in one piece until to armholes. With cream yarn ch158 and work in Checkered Mesh st, decreasing 1 square of the stitch Motif at each end, for Front neck shaping, on 8th, 19th and 28th rows. AT THE SAME TIME, on 17th row (when work measures 18cm) divide work into three pieces, to create armholes as follows.

**Left front:** work 10 squares of the stitch Motif, turn work, dec 1 square and work row to end. Cont to work only on these squares 16 more rows (= corresponding to 18.5cm from armhole beg), decreasing other 2 squares as given before for neck shaping: 7 square remain for shoulder. Fasten off.

**Back:** omit to work 8 squares for armhole and work on following 25 squares, turn work, dec 1 square and work 23 squares, decreasing 1 square at end of the row. Cont to work on rem squares 13 more rows (= corresponding to 15.5cm from armhole beg), then, for neck shaping, omit to work on centre 7 squares and cont separately on either side: work 1 row, decreasing 1 square on neck edge, and work another row on rem 7 squares (= shoulder). Fasten off.

**Right front:** omit to work 8 squares for armhole and work on rem squares as given for Left Front, but reversing shaping.

**Sleeves:** for each sleeve, with cream yarn ch73 and work in Checkered Mesh st, decreasing 1 square of the stitch Motif at each end, on 6th, 13th and 18th rows. Cont to work straight (without decs). When Sleeve measures 40cm and 36 rows have been worked, inc 1 square at each end on next row and every following 3 more rows. When Sleeve measures 46.5cm and 42 rows have been worked, shape sleeve top: omit 3 squares at each end, then dec 1 square at each end on next and every following alternate row 7 times, then every row 3 times. When sleeve top measures 20cm and 18 rows have been worked, fasten off.

**Twisted Cord:** cut several strands of yarn 3 times longer than needed. For example: if your cord is to be 180cm long you will need strands 540cm long. Knot the strands together at each end and insert a pencil through one end. Pin down the other end securely. Keeping the yarn full length and taut, twist the pencil until the yarn is tightly twisted and kinks when the tension is relaxed. Fold yarn in half keeping it taut to avoid tangling and remove pencil. Make a knot at both ends, leaving extra yarn to make small tassels.

## FINISHING

Sew shoulder seams. Set in sleeves and sew sleeve seams. All around bodice with beige yarn work as follows: **1st round:** work dc all round, end with 1 ss into first dc. **2nd round:** \* 1 dc, ch2, miss 1 st; rep from \* ending with a ss into first dc. **3rd round:** ch3 (corresponding to first tr) and 5 tr (= first shell) into first ch2-space, miss next ch2-sp, 1 dc into next ch2-sp, miss next ch2-sp, \* 6 tr (= shell) into next ch2-space, miss next ch2-sp, 1 dc into next ch2-sp, miss next ch2-sp; rep from \* trying to work a shell on the corners of the fronts to round them out. End with a ss at beg of first shell. Fasten off. Work same border around each sleeve. Double crochet (dc)

**PRAWN STITCH:** this stitch is dc worked from left to right. Start at the left-hand end of the row you are working, insert the hook in the first st to the right and complete a dc stitch. Repeat in the next st to the right and continue to the end of the row.

## TENSION

17.5 sts and 20 rows measure 10cm square over double crochet with 3.00mm crochet hook and two strands of yarn held together throughout. Take time to check tension before starting work: it is essential to work to the stated tension to achieve success.

## INSTRUCTIONS

**Note:** work with 2 strands of yarn held together throughout.

**Back panel:** start around a handle, as shown in picture. With 3.00mm crochet hook and 4 strands of yarn held together work 42 elongated slip stitch around lower part and 3 or 4cm lower side parts of a handle, starting from right side part, up down. Cut 2 strands of yarn and cont to work only with 2 strands of yarn held together. Work rows of dc as follows: **1st row:** ch1 (that doesn't count as a st), 1 dc into each of first 12 sts, 3 dc into next st (= 2 sts increased), 1 dc into each of next 16 sts, 3 dc into next st (= 2 sts increased), 1 dc into each of last 12 sts, turn. **2nd row:** ch1 (that doesn't count as a st), 1 dc into each of first 13 sts, 3 dc into next st (= 2 sts increased), 1 dc into each of next 18 sts, 3 dc into next st (= 2 sts increased),

Cont to work rows of dc, increasing sts as before (= work 3 dc into central of 3 dc below worked into same dc) \* every row twice, then work a row straight = without inc); rep from \* 7 more times: there are 114 sts. When work measures 14cm from beg and 28 rows have been worked, leave unworked first and last 31 sts (= side parts) and cont to work central 52 sts, decreasing 1 st at each end every alternate row twice, then every row twice: 44 sts remain. Fasten off. Now work a row of dc as follows: 1 dc into each of 31 sts of first side, 6 dc along first side edge of last 6 central rows, 1 dc into each of last 44 sts, 6 dc along other side edge of last 6 central rows, 1 dc into each of 31 sts of other side: there are 118 sts. Work other 2 rows dc. Fasten off.

**Front panel:** work as Back Panel.

## FINISHING

Place panels RS to RS and, with 3.00mm crochet hook and 2 strands of yarn held together, work a row of dc across sts of last row to join the panels, inserting hook every time in both thicknesses. Fasten off. Finish two open upper edges with 3.00mm crochet hook and 2 strands of yarn held together, working a row of prawn st. Fasten off.

**Tassel:** cut approx 45 lengths of yarn to 20cm each. Fold in half to indicate the centre point. Wind a long strand of double yarn around centre point and secure tightly with a knot. In the remaining strand, pass the 2 pearls and secure them with another knot, finally knot the two strands in the loop of the snap hook, joining it to the tassel. Fix the tassel threads at about 1.5 cm from the fold line, wrapping them several times. Fix the tassel on the upper edge of the bag, as shown in the photo.

## INSTRUCTIONS BRIEFS

**Note:** for a perfect fit, following the published model setting, we recommend making a paper pattern with your own measurements and gradually placing the work on it. Work in one piece, starting from **Back**. Ch14 plus 2 turning

ing ch. **1st row:** 1 htr into 4th ch from hook, 1 htr into each of next 12 ch (there are 14 sts), turn. Cont to work rows of htr, beginning each row with ch2 corresponding to 1st htr. Inc 1 st at each end on 11th and every alternate row twice, then inc 1 st at each end every row 24 times: there are 66 sts.
